This table contains the (up to) ten most significant co-authored publications resulting from the Action. All publications are on the topic of the Action, co-authored by at least two Action participants from two different countries participating in the Action.

<table>
<thead>
<tr>
<th>N O</th>
<th>Main author</th>
<th>Number of authors</th>
<th>Action participants listed among the authors (Name, country and role)</th>
<th>Was involved</th>
<th>Date of submission (must be after Action start date)</th>
<th>Expired date of publication (if not already published)</th>
<th>Persistent link to publicly available version of the paper (if this available) or the abstract</th>
<th>Is/Was Open access provided to this publication?</th>
<th>Is/Will COST T be acknowledged in this publication?</th>
<th>Are/Will T be acknowledged in the Action?</th>
<th>Relevance to H2020 Societal Challenges (be) implicated in this publication?</th>
<th>Is it peer-reviewed?</th>
<th>Was the added value of the Action Network necessary for the publication?</th>
<th>Impact Factor (if applicable)</th>
